From The Hall to The Hill: Reflections of Larry Campbell

The Honourable Larry Campbell
Senator of Canada
and Former Mayor of Vancouver

Two of the great benefits attending IPAC events are hearing interesting speakers and the opportunity to meet and talk with public sector colleagues from all levels of government. We have arranged a special social event which will allow you to do both.

You will have lots of time to network with your colleagues, new professionals and seasoned professionals in a casual atmosphere. And, you get a chance to meet and to hear Senator Larry Campbell talk about his experiences in government.

Come and join us for a very special evening with the Honourable Larry Campbell as he reflects on his time as the Mayor of Vancouver and shares his thoughts on his transition to the Senate of Canada.
